Reaches into tricky areas

- Steam tip allows you to have steam in hard-to-reach areas

Safe ironing

- Drip-stop system keeps your garments spotless while ironing

Auto Energy Saving

- Automatic Energy Saving

PHILIPS

sense and simplicity

Highlights

Double Active Calc System

Double Active Calc system prevents scale build-up through anti scale pills and an easy to use calc clean function.

Soft grip

The soft handgrip allows for comfortable ironing even during longer sessions.

Steam tip

The unique steam tip combines the prominently pointed front of the soleplate with special elongated steam slots in the tip, to reach into the smallest and most difficult areas for the best ironing results.

Drip-stop system

Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Auto Energy Saving

Automatic Energy Saving. The innovative feature in the Philips steam iron makes sure you get 100% steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

Steam boost up to 140 g

Steam boost enables you to easily remove even the most stubborn creases.
