

Philips Satinelle
Epilator

Optimal start

HP6507

Perfectly smooth skin for weeks

Effectively removes hair, respects your skin

Get started into epilation with this new Philips system, removing hairs from the root, leaving your skin silky smooth for weeks, not days. Comes with a unique set of first-time user attachments, which help you achieve the best results.

Perfect epilation starter set

- Opti-start + massage cap for efficient and gentle epilation

Optimal ease of use

- Choose the right speed according to your needs
- Fully washable epilation head for better hygiene

Skin comfort

- This epilation system removes hair as short as 0.5 mm

PHILIPS
sense and simplicity

Highlights

Hypo-allergenic

Additionally the hypo-allergenic discs assure an optimal hygiene.

Washable epilator head

The head can be detached and cleaned under running water for better hygiene

Opti-start cap with massage

For a maximum skin contact at all times while relaxing your skin before epilating, this combi-attachment positions the epilator at the optimum angle for a constant effective hair removal

Two speed settings

Speed 1 for extra gentle epilating and speed 2 for extra efficient epilating
